INVESTORS:
You could receive tax credits.

The Kentucky Investment Fund Act offers a 40 percent tax credit to certain personal and corporate investors participating in approved investment funds. The fund must have an investment of $500,000, must have at least four investors, and the fund and fund manager must receive advance approval. The credit is split among the fund members based on proportion of investment.

Investments are typically made in the following areas:
- Industrial
- Manufacturing
- Mining
- Mining reclamation for economic development
- Commercial
- Health care
- Agricultural enterprise
- Agribusiness activity
