The Kentucky Cabinet for Economic Development is seeking a dynamic and self-motivated individual to join our team as a Business Development Project Manager. The full-time position, which will be based in Frankfort, Ky., will be responsible for cultivating business development opportunities by promoting Kentucky as an ideal location for business growth, investment and job creation.

**Key Responsibilities:**

- Identify, research and target industrial, commercial and service sectors that may have a competitive advantage by doing business in Kentucky, as well as proactively call on companies with an interest or potential interest in locating in Kentucky.

- Develop and maintain communication and relationships with existing Kentucky companies in order to facilitate retention and expansion opportunities.

- Prepare written and web-based proposals and marketing materials showcasing the corporate climate of Kentucky. Provide detailed information about taxes, methods of financing, labor laws, environmental compliance, transportation, energy, wages, workforce training and other relevant topics impacting site location decisions.

- Work with business executives and site selection consultants located worldwide, as well as coordinate marketing efforts with regional economic developers, elected officials, utility and transportation partners.

- Maintain a sound knowledge of Kentucky’s industrial assets, including but not limited to, its communities, utility providers, incentive programs, workforce and available sites and buildings.

- Identify channels for promotion of Kentucky as a business location, including trade shows, missions, networking events and other promotional activities that would benefit Kentucky companies and promote Kentucky’s economy. Seek out partnerships with companies, chambers of commerce, industry associations, local and federal government agencies and others to leverage marketing opportunities.

- Prepare briefings and other support materials related to potential markets, companies and opportunities for Kentucky, including market briefs, country profiles, site visits and any other relevant information.

**The successful candidate should be able to demonstrate the following:**

- Proactive, highly responsive work approach with an ability to identify new opportunities.

- Ability to work independently, but also collaborate with Cabinet staff, management and economic development partners.

- Excellent time management, organizational, verbal and written communications skills, and a keen attention to detail.

- Must be comfortable making presentations to small and large groups.

- Experience specifically in analyzing corporate financial statements.
**Education / Experience Requirements:** A bachelor’s degree and relevant experience in business management, marketing, economics, industrial development, economic development, research, site planning, commercial real estate, urban planning or a related field is required. Non-degreed candidates with experience in one of the above areas will substitute for the educational requirement on a year-for-year basis.

**How to Apply:** Candidates interested in this position should submit a letter of interest outlining your experience in the field of business development and specific attributes that will allow you to accomplish the scope of work outlined above. Please include your full contact information, professional resume, and any professional references relevant to consideration. Applicants and employees in this classification may be required to submit to a drug screening test and background check.

Letters of interest and resumes should be submitted to the attention of Stacey McClellan, Human Resource Administrator, Old Capitol Annex, 300 W. Broadway, Frankfort, KY 40601.
